Classroom Donations:

- Tissues
- Hand sanitizer
- Clorox/Lysol wipes
- Classroom candy
- Colored Paper
- Dry Erase Markers

Homework

EVERY problem on a homework assignment must show **some attempt or thought process** in order to be considered complete. A question mark shows no thought process. Homework is due the following day it is assigned, unless specifically stated otherwise. **Showing your work is a requirement!**

Absences and Make Up Work: Students who are absent from my class are responsible for collecting any missing work and notes from the days of their absence(s). If an absence occurs, it is very important and expected that a student uses all resources, calls a class member, or checks my website.

Late Work Policy

MPMS late work policy is a 0.5 point deduction on the assignment's point value each day it is late. This deduction is taken after the assignment has been graded. This can add up so be sure to stay organized!

Test Corrections: Test corrections are available on unit tests if the student scores below 70%. The student must attend a mandatory Leopard Time review session. Before entering they must show proof of a complete study guide. At the end of the review session they will receive a test correction template. Students can earn 50% back of what they lost on their original test with the highest score being a 70%. These will be due on a posted date within the classroom.

Communication

Powerschool will show students' grades and be updated weekly. Assignments and resources will be posted on my website. <http://tricario.weebly.com>. If you have any questions or concerns, email is the best way to reach me. Please allow 24 hours for a response.

Remind is also a great way for communication. I recommend both students and parents sign up for reminders. I will use this on a weekly basis. Parents, please put your child's first name and class in parentheses next to your name when you register. To sign up, text @Tricariomath1 to 81010.

Grading Policy

The point system will be used for grading. To determine a student's grade, the number of points earned for the quarter is divided by the total possible points for that quarter. Points are converted to a percentage and letter grade at the end of the quarter.

Grading Procedures

Tests: 25-50 points
Quizzes: 1-10 points
Homework: 0- 1 point
Classwork: 1- 15 points
Projects: 1-20 points

Grading Scale

A: 90- 100
B: 80-89
C: 70-79
D: 60-69
F: < 59

*Per state mandate, the final exam will count for 20% of your child's final grade.

Behavior Expectations

We will follow the goals, procedures, dress code, and rules laid out in the WCPSS Student and Parent Handbook. Students are responsible for their own actions and I hold my students to an exceptionally high standard at all times!

Please sign and return this page. Thank you!

I have received a copy, read, and understand the rules and procedures for Ms. Tricario's classroom. I have discussed the importance of these guidelines with my child and encouraged them to abide by them throughout the year.
